DEDICATION

Because she is vitally interested in all phases of the theatre; because as drama coach she has been responsible for numerous successful productions; and, above all, because she has been friend as well as teacher to scores of Excelsiorites, we gratefully dedicate this 1936 *El Aviator* to Miss Nellamena Roach.

Wishing you a

PROLOGUE

For those of us who are about to step out of the wings and on to the great stage of life, who for four years have been learning parts as understudies and are now ready to perform in the roles of leading characters, "The Theater," theme of this year's El Avia-dor, will hold a special significance in its representation of the world in which we live.

Dear George.
I hope you have enjoyed

TRUSTEES

Upon the shoulders of the School Board rest the responsibilities of running the school. They take the part of men behind the scenes, and their only remuneration is much work and little reward, for they are paid no salaries and serve only as representatives of the community. The policies of administration, the building of new structures on the campus, all of the financial expenditures, come before their eyes, as do the serious discipline problems. Once a month in the Board room they meet in regular session and are subject to call at any time for special meetings. Usually their work carries them into midnight. From their number they elect a president and a clerk yearly. They serve for a period of three years and are eligible for reelection. Whatever blame there is goes to the school board, but, before that, a lot of credit is due them. The success and future of Excelsior is very much in their hands.

W. L. SCHEIFELE M. T. KILLINGSWORTH J. H. REED
President Clerk

ARTHUR KULZER WILLIAM CHALMERS

PRINCIPAL

At Excelsior for the past twelve years, Mr. Burnight, has been successively a history teacher, Dean of Boys, and now superintendent. Among his experiences are posts at the University of Peking in China where he taught for two years; and a position at a high school in Fresno. He graduated from Redlands High School "Magna Cum Laude" and from the University of Southern California. Here he was forced to finish work in five semesters because of the War and, serving the United States as a lieutenant in the Hospital Corps, was contented with the distinction of a "Cum Laude" degree at his graduation. After coming back from France he returned to private life. He has a red haired twin sister, is married, and has three children. Very modest about his achievements, a Phi Beta Kappa key with which he was honored a few years ago seems always to be upside down so that the insignia is hidden from view of anyone curious. He is a good friend of U. S. C.'s eminent professor, Dr. Emory Bogardus, and works with him frequently. He can be considered an authority on social problems and the thesis for his Master's degree has been printed and is in the Congressional Library for reference. He is very much interested in music and, although one of California's youngest high school principals, is very much a human being.

Dean of Boys

Mr. Longshore was born somewhere in Nebraska, but doesn't know exactly where. When about ten he came to Los Angeles. After graduating from the University of Southern California, he went to teach in South America. He lived there for several years near the city of Lima, Peru. Outside of school one of his chief delights is playing bridge. He likes to build, has three houses to his credit, and is planning another. Before coming to Excelsior he taught at National City and at Calexico, near the Mexican border. He now handles the discipline problems of Excelsior's boys and likes his work very much. He is married and has a family of three daughters, past and future Excelsior graduates.

Mr. Longshore

VICE PRINCIPAL

Born in Susanville, Miss Rankin is a native Californian and the daughter of a Superior Court Judge in Glenn County. She attended the University of California, and has traveled a great deal in the West. She especially knows the Western National Parks, and has always been a lover of the mountains and the desert. Her teaching career started in Nevada, was continued with naturalization work, and then with her position at Excelsior where she taught history before becoming Vice-Principal. She is a naturalist to the extent of being an authority on the subject, likes hiking, and is an excellent horse-woman. Her great interest is in people. She is a reader and student of philosophy, tries to understand whomever she meets and will go to great length to help anyone in trouble. Although she appreciates the art of the cinema, she dislikes many movies that aim at nothing in particular, and she holds a great distaste for funny papers. She likes nothing better than good cowboy music, but cannot stand Hawaiian music. Her background and her knowledge of people perfectly fit her job of being Vice-Principal to Excelsior's nine hundred students. Often working many extra hours in her office, she bears out her philosophy of helping everyone both privately and officially.

Counselor

Miss Watkins is a real Southerner. She was born at Eureka Springs, Arkansas, a well known resort. Following a high schooling in St. Louis, her education was finished at the University of Kansas, where she received her M. A. degree. She lives in Norwalk with her mother and is the only girl in a family of four. One brother is a Captain in the Army now stationed at Panama, and the other two are lawyers. She likes everyone and is liked by everyone she meets; still, she has never been a lover of social life. She reads a great deal, including the comic section, loves classical music, and is usually in bed by nine every night. Before coming to Excelsior, she taught in both Montana and Colorado. She has traveled over the entire United States, but her favorite place is California.

 3rd row: R. Coleman, S. Greening, D. Hathcock, F. Slaughter, S. Johnson, L. Wessels.

JUDGES

The judicial department of the school is composed of a Chief Justice, selected by the vice-president of the student body and vice-principal, and sixteen other members chosen by the Chief Justice.

Four judges sit each period and try cases of students who are summoned from study halls. The judges vote to decide how many merits shall be deducted from the student's record. If any student believes he has been unjustly penalized he may present his case before the court. Also, if any student shows a marked deficiency in his citizenship record he may be served with a notice to appear before the committee.

Milton Cook served as Chief Justice for the first semester, followed by Frank Slaughter, second semester.

1st row: A. Beauchamp, H. Poe, E. Corder, L. Pelletier, F. Urschel, M. E. Hooper, E. Young.
 2nd row: L. Moore, J. Turner, L. Martin, H. Reaves, B. Johnston, F. Beauchamp, J. Hauck.
 3rd row: E. Reaves, D. White, E. Buchanan, J. Grubb, Mr. Richardson, F. Heflin, J. Pelletier, H. Jeanson.

POLICE

Chosen by the Chief Justice and faculty adviser from a large group of volunteers, the police force is one of the more important disciplinary instruments of the school. In keeping with the principle of student government, the force is composed of students who have the power of keeping order and issuing blue slips.

Not only does the police force maintain order, but the staff is also responsible for promoting a high standard of citizenship among the students.

The adviser is Mr. Richardson and the student head of the police force is the student body sergeant-at-arms. In the first semester Joffre Pelletier was Sergeant-at-arms and during the second semester Loyd Martin held the position. To both of these students, to Mr. Richardson, and to all those on the force, credit should be given for the past year's activity.

WINTER '36

Although smaller than many summer classes, Winter '36 contributed much to the various phases of school activity at Excelsior, especially in the realm of student government and athletics, both boys' and girls'. Their class president, Thomas Reed, likewise held the post of student body president.

Choosing brown and yellow for their class colors, students in the class received their sweaters in their junior year, during which also several members of the group were chosen for the Junior Play, "Growing Pains." Also well represented in the Senior Play, "The Family Doctor," the class has had at least one lead in each play.

Graduating January 31 in the new auditorium of the Norwalk Grammar School, the class had one of the largest midwinter commencements of recent years, and at this time there was an unusually large number of honor students receiving scholarship awards. The advisers were Miss Mulcahy and Mrs. Heffernan.

SUMMER '36

Participating in every field of school activity, the summer class of 1936 has achieved an enviable record at Excelsior. The class was guided by Frank Slaughter the first and last years, and by Buddie Madison and Bill Coleman the second and third years.

Summer '36 chose blue and white for their sweaters, which they received in their junior year. Another highlight of the year was the traditional Junior-Senior Prom, held in June. "Growing Pains," the Junior Play chosen, was one of the best productions the school has seen, and was followed by the successful Senior Play, "The Queen's Husband." The big events of the senior year, following the play, were the Junior-Senior Prom, and the graduation at Norwalk Grammar School.

Class advisers Miss Steepleton and Mr. Yost have given immeasurable aid with their enthusiastic support of the class and its many activities.

ETIQUETTE BOOK

A new publication appearing this year was the etiquette book, "Behave Yourself." Plans had been made in previous years for an etiquette book, but this year marked the first attempt at publication.

The staff, meeting twice a week under the direction of Mrs. Isaacson, found much material already collected by previous classes. Mrs. Isaacson has worked particularly hard on the book and has devoted a great deal of time to its completion.

The etiquette book was edited for the benefit of the students at Excelsior. The idea of having an etiquette book for students' use and containing students' ideas of etiquette has been an outgrowth of the questions and discussions in conference periods last year.

A special feature of the book was the work of Walt La Rue, art editor. Throughout the book he has drawn clever cartoons illustrating the text.

When the intention of publishing the book was announced, sixty-five students applied for staff positions. Twelve were chosen as follows: editor, Shirley Scott; associate editors, Jean Brookshire, Marcia Boyer, Ross Ledbetter, Jean Moore, business manager, Victor Wood; assistant business manager, Alfred Carney; circulation manager, Donna Hale; publicity manager, Allen Sherman; art editor, Walter La Rue; associates, La Rayne Lake and Lumen Pelletier.

Miss Chapin was chosen as this year's annual adviser and has instituted a new system of staff membership in which every staff will be composed of about ten seniors, four juniors and two sophomores, the last two classes to act as assistants and learn how to make an annual so that they will head the staff in their senior year. This system does away with the semester of training that the staff used to go through, and better fits it for its job.

We hope that, because of the many innovations, the 1936 El Aviator, our annual, will rank high in the severest test, that of student appreciation.

JUNIOR PLAY

Presenting A. A. Milne's detective drama, "The Perfect Alibi," the Junior classes had an outstanding production this year. The play was well chosen and exceedingly well presented, under the direction of Miss Chapin.

The story concerns the events at a house party given by Arthur Ludgrove; the host is murdered by one of the guests. The murderer is known to the audience, but seems apt to escape notice of the detectives until the third act, in which Susan Cunningham, as played by Winifred Vivian, aided by Jimmy Ludgrove (Standlee Greening), finds a flaw in Edward C. Victor Wood, as [unclear], took the evening's honors because of the naturalness and ease with which he interpreted his part. Winifred Vivian and Standlee Greening capably provided the romantic interest, as well as the solution to the murder.

ent characterization, as did Lester Blakesley, the younger detective. Others in the cast who acquitted themselves well were Harvey Powell, Dorothy Reinke, George Hasha, Jeanne Gordanier, Billy Murphy, and Herbert Mandell.

Adding much to the effectiveness of the production was the new set designed especially for the play. Brown and white were predominant in the setting, which was arranged by Mrs. Isaacson and Mr. Armstrong.

Mr. Kirkpatrick, in charge of the musical score, presented with the orchestra light opera selections between acts.

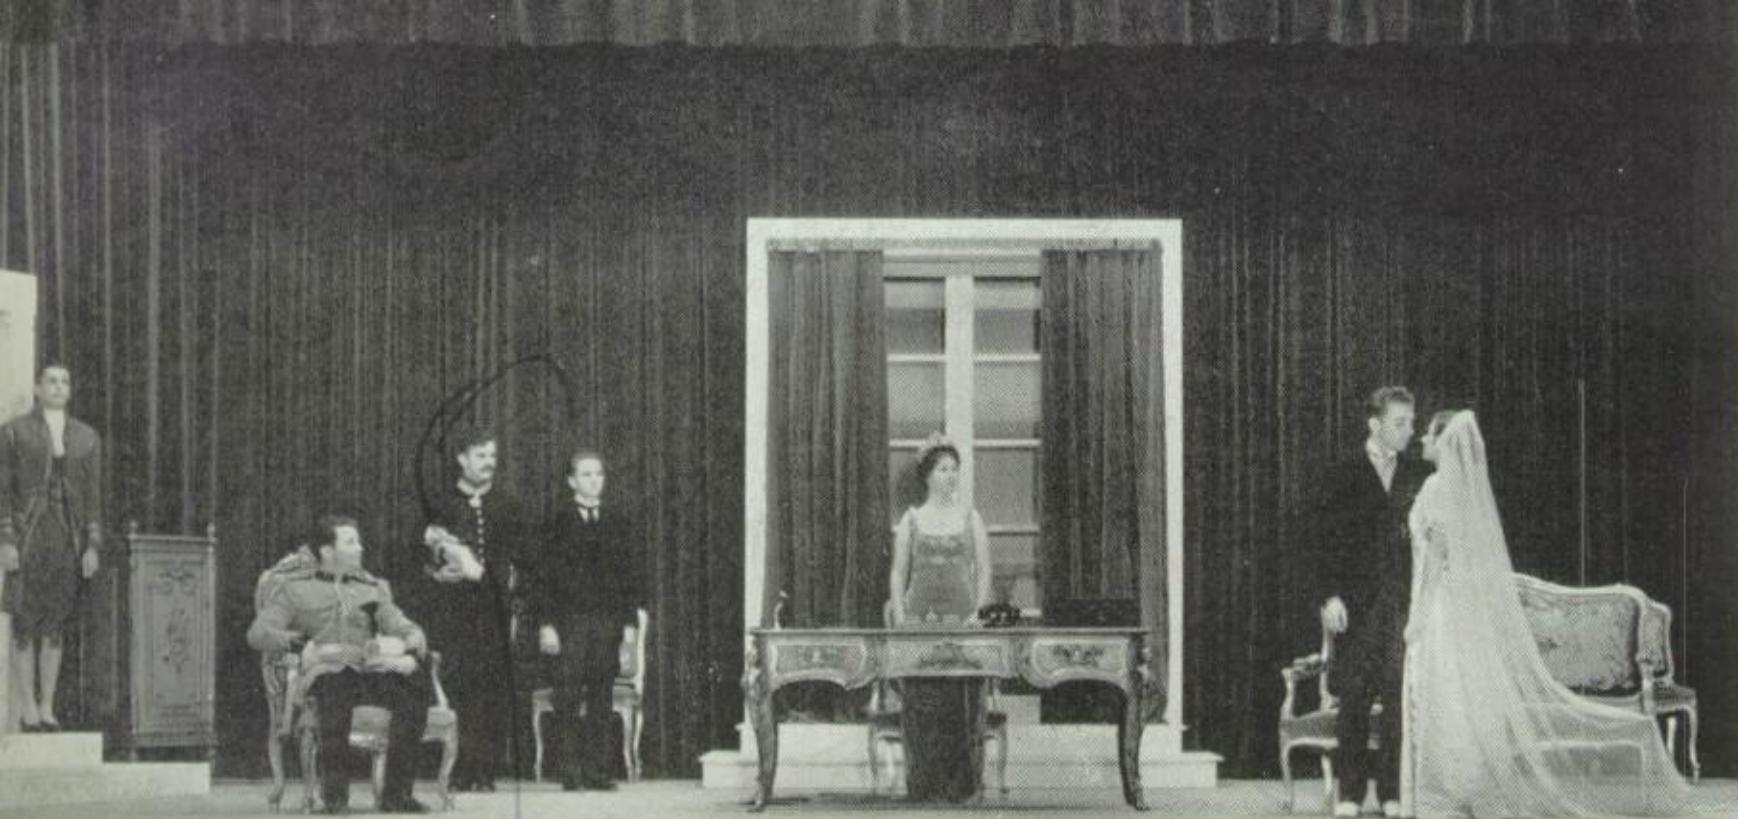

The student production included Eleanor Cr... director; Edward Reaves, ... manager; Ila Gage, mistress of the wardrobe; Felix Heflin, master of the wardrobe; Crespino Costello, advertising manager; and five members of the stage crew: Kedric Bailey, Charles Crowell, Lon Cook, Gerald Stahr, and Merle Strange.

SENIOR PLAY

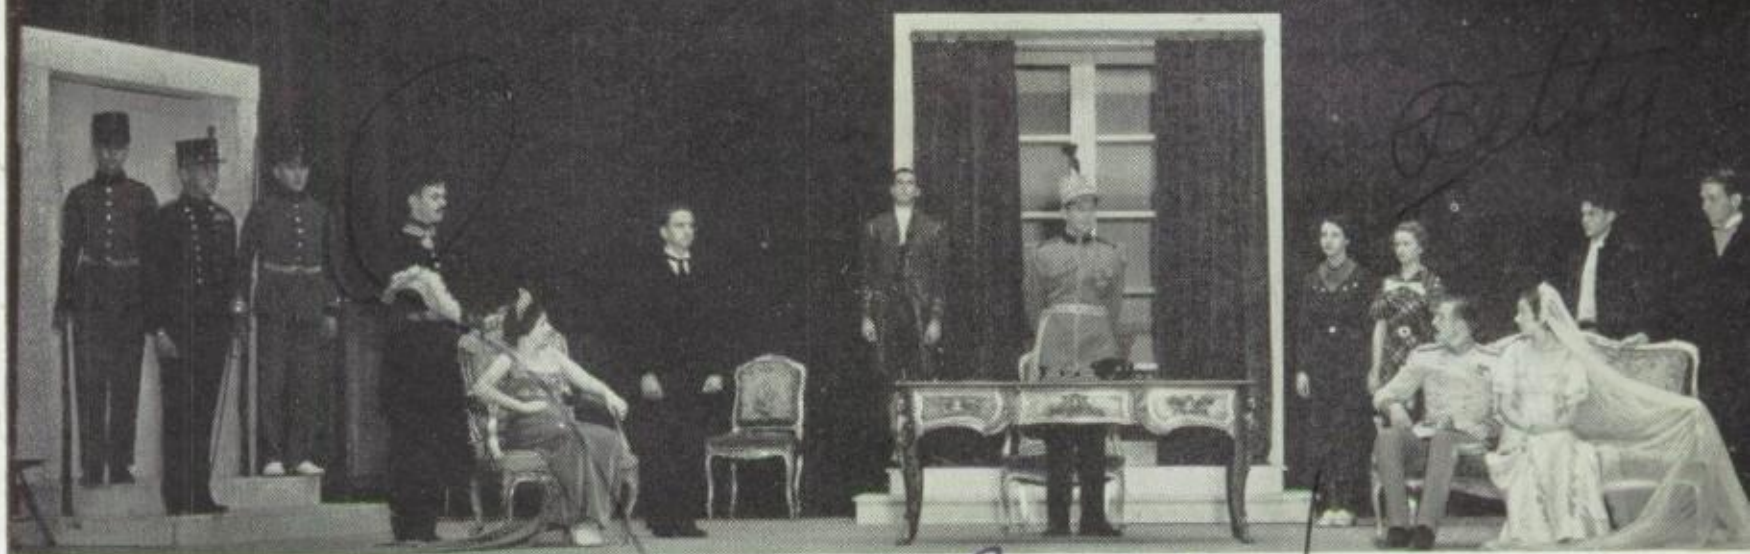

All the comedy, drama, romance, and revolutionary intrigue of a mythical kingdom were brought to the stage in the senior classes' production of "The Queen's Husband," presented in the Norwalk Auditorium May 15 under the direction of Miss Roach.

The play details the difficulties of a kingdom ruled over by one Eric VIII—and more especially the difficulties of that monarch himself. His difficulties are centered around his wife, Queen Martha, an imperious spouse with an enormous sense of Duty. In her absence in America, the King entertains himself at checkers and revolutions, and on her return astonishes everyone by dusting off the constitution and proclaiming a general election, thus overthrowing Dictator Northrup. To make his emancipation complete, he effects the elopement of the Princess Anne at almost the moment of her marriage to Prince William of Greck, Queen Martha's favorite.

The King was admirably interpreted by Bruce Mackay, in a characterization which brought out the humor and drama of every line and situation. His work was neatly balanced by Dona McPherson's performance as the Queen; she made Her Majesty a genuine character.

Inset below: Bruce Mackay as the Queen's Husband. Left: the Queen for a change seems pleased with Birten and Northrup. Corner: three soldiers of the King. Right: the bride seems less interested in the bridegroom than in Granton.

Above: All eyes, for once, on the King.

"THE QUEEN'S HUSBAND"

Romantic leads were enacted by Victor Wood and Betty Carmean, the former displaying the same poise that he contributed to "The Perfect Alibi," and the latter making the Princess altogether charming. Suitor for the hand of the Princess was played by John Miller whose brief appearance was one of the comedy highlights of the play.

One of the most difficult parts was that carried by George Johnston; he was capable in the role of General Northrup. His assistant in diplomatic affairs was Robert Worley as Lord Birten. Cecil Walters as Laker was efficient, while Robert Coleman contributed dignity and sympathy as Dr. Fellman, and Stanley Johnson brought comedy to his part of Phipps.

Others who added to the play's effectiveness were Lewis Wessels, Joffre Pelletier, James Jackson, Irene Cornelius, and Elizabeth Koolmees.

Faced with more than the usual number of technical complications, the student staff was headed by Esther Cleveland and Dorothy Reinke as student directors, Eda Hodge (sound effects), George Cox, Raymond Pitts, Frank Slaughter, Frankie Brooks, Louise Plender, and Roy Stover.

FILIBUSTER CLUB

The Filibuster Club has one of the most worthwhile purposes of any club at Excelsior, that of world peace. This is worked for by international correspondence to foreign countries. Names of students are sent and others received from the Student Forum of International Relations in San Francisco, California. Italy, Switzerland, Central America, Ireland, and Australia are the chief countries of correspondence. The countries are recorded on the Filibuster Friendship chart, a map showing the places from which students have received letters. Meetings are held once or twice a month.

GIRLS' LEAGUE

Every girl in school is eligible for the Girls' League, the purpose of which is to promote friendship among the girls and newcomers at Excelsior.

The principal social events of the year are friendship teas for every new girl and her big sister, a Hi-Jinx party for the girls themselves, and a Mothers' Tea which enables the mothers and teachers to become acquainted.

Miss Rankin is the adviser of the Girls' League, and Geraldine Goodnight served as president this year.

BIG E CLUB

The Big E Club is an organization composed of boys winning varsity letters in football, basketball, track, baseball, or tennis.

Membership in the club demands the highest standards physically, morally, and scholastically. The club is not only one of the most outstanding at Excelsior, but one of the most popular as well, and is to be commended for the high type of school spirit and sportsmanship it develops. Adviser is Mr. Ashton.

The first semester, under the direction of Frank Slaughter, president, the club sponsored a dance after the Burbank game.

At the end of the first semester the club held initiation for new members, at which time the initiates were made to recite poetry and sing over the public address system. The first initiation the club had ever sponsored, it was carried off successfully, and initiates who failed to obey orders received ten paddles. Plans for a large banquet to be held in the spring were being considered by the club as the annual went to press.

SPANISH CLUB

To encourage interest in the Spanish language, Spanish culture, and to promote a friendly acquaintance with our Spanish neighbors are the chief purposes of "Los Sabios." The Christmas program, La Pinata, the Mexican celebration, and the Cervantes program in May are the most important events of the year. Business meetings, initiation programs, and meetings devoted to the learning of Spanish songs are held regularly. Competition for the privilege of membership and the long waiting list are evidence of the popularity of the Spanish Club.

FRENCH CLUB

With the addition of French to the curriculum, a new club was formed, "Les Enfants d'Orleans." The name signifies the "children of Orleans," and was suggested by the story of Joan of Arc. Meetings are held the third Wednesday of every month, and any student of the course is eligible for membership.

Meetings are devoted to the showing of motion pictures, and the studying of songs and games. Miss Slette, the adviser and French teacher, has successfully interested the members in the culture and conversation of France.

JUNIOR SPANISH CLUB

Due to the growth of the Spanish Club this year, Mrs. Hefernan felt it advisable to form a new club for the benefit of the younger members. Now the students in first year Spanish and Spanish IIB are organized into a club of their own, which has grown larger than the senior club.

Membership is open to students interested in learning Spanish customs as well as the language. The club meets monthly and special celebrations are held on Spanish holidays. Thus it is hoped that the club will create an interest in Spanish customs of living as well as in the actual language.

In directing the work of the club the first year, the following officers are to be congratulated: President, Roberta McNamara; vice president, Marjorie Gilmore; secretary, La Dean Clarke; song leader, Forrest Russell; yell leader, Gus Rogers.

SCHOLARSHIP

The C. S. F. is a national organization representing the A and B students. Membership requirements are a total of ten grade points and a high merit record; with additional points given for perfect attendance, merit records, or service points. Although the requirements limit the number in the club, more than thirty students became members during the past year.

One of this year's most important events was the Scholarship Banquet, at which Excelsior acted as host to the other five schools of the district.

LATIN CLUB

The Latin Club, S. P. Q. R., is open to second and third year Latin students and is sponsored by Miss Hughes.

The club has four important events of the year, which include: the Christmas program, at which the members sing carols in Latin; in January a birthday party celebrating the birthdays of all the members; the third year class presents a play in March; and in May a banquet is held at which the freshmen act as slaves and serve the members.

F. F. A. CLUB

The F. F. A. Club at Excelsior is one of the outstanding chapters of the national organization. The Future Farmers of America are boys interested in the study of Agriculture and Animal Husbandry. Meetings are held monthly and any boy in an agriculture class is eligible for membership. There are over 50 members at the present time.

On November 15 and 16 a state convention was held at Los Angeles, a feature of which was the Great Western Livestock Show. Twenty-six representatives attended from Excelsior, three of whom had entries in the show. Leon Benjestorf was presented by Governor Merriam with a gold watch for the champion steer of the junior division.

The Excelsior chapter was host recently to twenty-six other Southern California high school chapters who assembled here for their semi-annual regional meeting.

That the club has gained attention is evidenced by the fact that the Los Angeles Times recently devoted an entire page to the chapter from Excelsior.

GIRLS' SCIENCE CLUB

A new feature of the Girls' Science Club this year has been the membership drive. Instead of the usual requirements of one year of General Science, only one-half semester of a major science is required.

Meeting every two weeks to discuss subjects of scientific interest, the club has also performed a practical service for its members in the discussion and analysis of cosmetics. Thus combining subjects of interest and at the same time of scientific value, the club has provided an interesting pastime.

BOYS' SCIENCE CLUB

Organized to help create interest in science, the Boys' Science Club has done much, by experiment and demonstration, to promote such interest. A knowledge of general science or chemistry and two years of mathematics are required for membership.

Reports by the students on subjects concerning chemistry, physics, and biology are given at the bi-weekly meetings, which are also devoted to experiments, demonstrations, and the showing of motion pictures. Mr. Hawley deserves credit for his sponsorship of the club.

KNITTING CLUB

Started this year, the Knitting Club has become one of the largest and most popular clubs in school. An attendance of more than a hundred girls marked the first meeting of the club. Due to the unusually large turnout it was necessary to divide the club into two groups. The groups were separate clubs for a time, but in January they combined to form one again.

The name chosen was "Knifty Knitters" and a club pin was selected. The club meets on Tuesdays of every week, and after a short business session members learn new stitches and patterns or work on their own.

During the Christmas cheer work the Knitting Club was especially active and contributed a number of garments made by the members.

Mrs. Montgomery, an experienced knitter, has aided by showing samples of different stitches and helping the members with their work. She is adviser of the club.

ORCHESTRA

Excelsior's orchestra is composed of the two orchestra classes, and membership is about fifty. A year's study of an instrument or the equivalent musical experience are required for membership. The first joint rehearsal of the orchestra classes and band was held November 21, 1935, to which the students' parents were invited and compositions by Mr. Kirkpatrick were given.

The school orchestra has always played an important part in the Christmas program, Junior play, Senior play, baccalaureate, and graduation.

BAND

Consisting of forty members, Excelsior's band is one of the most active school organizations. The band supplies music at games and rallies and adds much to the school spirit and enthusiasm of the spectators.

Football games of the past year have given us another feature of the band—the drill-work between halves. The band, in their green and white uniforms, were led by Johnny Miller. At local holiday parades Excelsior is well represented by its band.

GIRLS' AVIATION CLUB

A new club organized this year is the Girls' Aviation Club. The club meets Tuesdays and any girl interested in aviation may attend the meetings, the purpose of which is to acquaint the members with airplane models.

The club is affiliated with the "Junior Birdmen of America" and the girls have received wings and membership cards from the organization. The name chosen for the club was "A'trix." Adviser is Miss Frank. Helen Worley presided as the first president and was largely responsible for the club's organization.

BOYS' AVIATION CLUB

A recently formed club at Excelsior, the Boys' Aviation Club has a membership of twelve and meets every Tuesday. "The Avis Club" was chosen for the club's name, "avis" being a Latin word meaning bird.

Membership is open to boys interested in aviation, and Mr. Goble is the adviser. Moving pictures are shown at meetings, airplane types are studied, and model airplanes are made at school and at home.

George Cox was the first president and has given the club a good start.

 3rd row: G. Jongsma, R. Koopman, L. McPherson, C. Wilson, B. White, M. Visser, J. Anthony, G. Beversluis, M. Misenar.

A CAPPELLA CHOIR

The A Cappella Choir is a group consisting of students of particular musical ability.

Among the programs contributed by the A Cappella Choir this year was a new idea of singing carols on the campus at Christmas. The members also sang carols of different countries at the Christmas play.

Not only has the choir furnished music for school affairs, but also for churches and clubs in the community.

MacDOWELL CLUB

Although organized late in the year, the membership of the MacDowell Club is large. Each year a piano recital has been presented to the parents and friends of the members. With this aim in mind, the students worked hard for a prominent place on the program. This year's was the tenth piano recital given under the leadership of Mrs. Yates.

One of the most interesting programs of the club was the sponsorship of Music Appreciation meetings, at which the stories of famous operas were told and compositions presented by some of the members.

GIRLS' GLEE CLUB

Although handicapped by the lack of an auditorium, the Girls' Glee Club has taken an active part in school affairs. Membership is about forty-four, and the club meets daily under the direction of Mrs. Yates.

Outstanding among the events of the year was the concert presented by the Girls' Glee Club April 24, in the Norwalk Grammar School Auditorium. In May the Club took part in the Orange County Festival. Girls' Glee Clubs seems to be a favorite course and many club members plan to extend their musical study next year.

BOYS' GLEE CLUB

The Boys' Glee Club, a group of twenty-one boys, meets every day under the direction of Mrs. Yates.

The problem of having no auditorium has made it impossible for the school to have an operetta or similar musical affairs, and consequently the glee clubs are not before the student body as they should be. They have, however, contributed to student activities as much as possible, and members of the Boys' Glee Club have taken part in the musical selections of baccalaureate and graduation. The Glee Club also took part in the Orange County Festival held at Santa Ana High School.

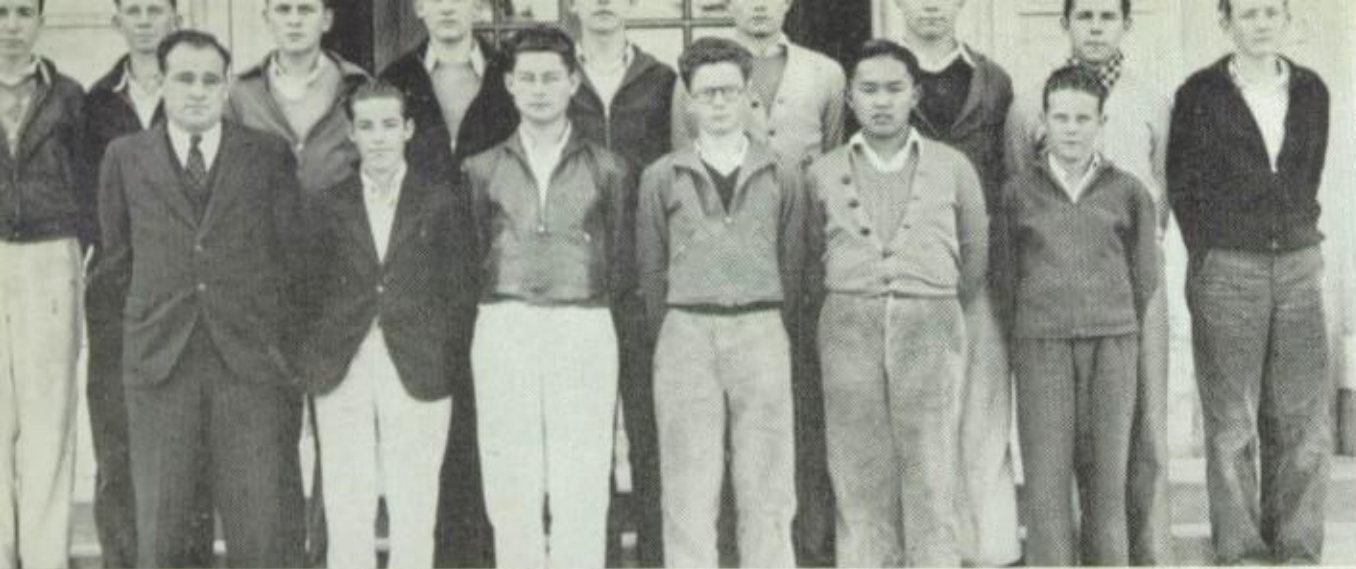

GIRLS' GLEE CLUB

1st row: U. Rueckheim, L. Millard, A. Brown, M. R. Massey, E. Cruse, B. Foster, T. O'Leary, L. Dobias.

2nd row: T. Stein, B. Johnston, E. Deets, D. White, G. Conway, J. Dixon, D. Allison, H. Reaves, F. Liggett.

STAMP CLUB

E. Hodge, M. Michaelis, B. Nichols, L. McPherson, S. Ishikawa, L. Sutton, D. R. Hale.

CHESS CLUB

A recently formed club at Excelsior, the Chess Club has already a membership of twenty charter members. Any person interested in chess is eligible for membership. Mr. Goodhart is the adviser and has shown a great deal of interest in the club's development.

Meetings of the club are divided into two groups, formal and informal. The formal meeting is held once a month to regulate the business affairs, and the remaining meetings are devoted to chess. Dues for the club have been used to buy chess sets for every member of the club.

STAMP CLUB

Started last year, the Stamp Club is one of the numerous hobby clubs at Excelsior. Membership is open to anyone interested in collecting, exchanging and studying stamps of different countries.

Stamp displays are held throughout the year, and one of the most important is an exhibition shared with the Filibuster Club. Stamps of all the countries that have international correspondence with the Filibuster Club are shown.

Mr. Goodheart is the adviser of the Stamp Club.

STRING CLUB

Students have shown interest in the meetings of the String club this year. Members have participated not only in the String club, but in the orchestra and the MacDowell club as well.

The String club met under the temporary chairmanship of Dick Vander Laan, and Margaret Britton served as pianist.

Several of Mr. Kirkpatrick's compositions, arranged especially for stringed instruments, were studied and played under his direction.

GIRLS' LEAGUE ORCHESTRA

The Girls' League Orchestra is one of the more important branches of the Girls' League, for it is the organization which plays for the Girls' Hi Jinx and also the Mothers' teas held in the spring. Membership is open to girls playing any musical instrument, and the membership of the past year has been about fifteen.

The orchestra, under the direction of Abbie Stalcup, first semester, and Arline Kinne, second semester, has furnished music for all Girls' League functions.

STRING CLUB

1st row: B. Bailey, M. Fredericks, C. Matsuda, J. Vermillion, M. Zualet, B. R. Lee, M. Smith.

2nd row: E. Bazemore, J. Wadsack, M. Brinton, F. Otsuki.

1st row: U. Rueckheim, E. Jewell, H. Eakin, Miss Dexter, D. McPherson, D. Mc-Morris.

2nd row: I. Gilmore, D. Haven, E. McGowan, R. Nolen, J. Hartwood.

MEXICAN GIRLS' CLUB

The Mexican Girls' Club has been functioning successfully for two years and members have taken active part in its meetings. The purpose of the club is to teach the members the language and customs of the people of their country. At the monthly meetings the native dances and songs of Mexico are taught, and the girls are encouraged to try Mexican handwork and embroidery.

A worthwhile organization chiefly because of the co-operation of its members, the club hopes to have doubled its membership next year. Miss Slette is the adviser.

RHYTHMIC DANCING CLUB

Any girl with dancing experience is urged to join the Rhythmic Dancing Club. Interested in rhythms of the present time as well as in the history of dancing, the members study and interpret modern steps as well as ballet steps and general trends and terminology.

Planning to see presentations of famous dancers, the members thus hope to acquaint themselves with dancing of different types.

COMMERCIAL CLUB

A club for students enrolled in a business course, the Commercial Club has always had a large membership. Recommended grades in at least two commercial subjects are membership requirements.

Speakers are obtained for alternate meetings, and the students have heard talks this year relating to consumer education and equally important topics. Talks on Commercial subjects offered at Excelsior were given by students in the club. Newly appointed to the position, Mr. Cleavinger acts as adviser of the club.

CAMERA CLUB

Another hobby club, started last year, is the Camera Club for students interested in photography. Fifteen members attended this year, taking active part in the club's activities. Tuesdays the club meets to learn more about photography and the development of films. Motion picture films are sometimes shown to illustrate the importance of a well arranged picture.

Members interested in "snapshot week" contribute snaps to be used in the snap section of the annual. Mr. Richardson is the adviser, and himself an amateur photographer.

COMMERCIAL CLUB

1st row: T. Fujimoto, C. Otsuka, H. Ota, O. Searing, C. Endow, L. Asawa, L. Bettinger, D. Dunn, D. Fulton.

COACHES

Living up to Excelsior's athletic record this year, the teams owe much of their success to the training of the coaching staff.

Mr. Ashton, head coach, has charge of varsity football, varsity baseball, and C and D basketball. Coach Langdon has charge of varsity and B basketball, B football, and junior varsity baseball. Mr. Jensen, a new addition to the staff, coaches all track and C football. Tennis is under the direction of Mr. Goodheart. Assisting in the coaching of track teams is Mr. Van Petten.

An essential in the making of a good team, good coaching has been afforded all teams at Excelsior through the efforts of the staff.

YELL AND SONG LEADERS

Handicapped by the lack of an auditorium, yell and song leaders have had to work doubly hard to create spirit in the rallies held on the bleachers and in the courtyard. Due to their efforts and those of Mr. Kirkpatrick and the band, much cooperation has been given the teams this year.

Football season marked the best display of enthusiasm, credit for which goes to head yell leader Carmen Groeling and assistants Johnny Miller and Al Moorhead, and to song leader Frankie Brooks and assistants Ruth Garfield and June Irvin.

Under the leadership of Crayton Groeling and Marilyn Crider, head yell and song leaders, second semester rooters were equally enthusiastic in their support. Assistants were Carmen Groeling, Katherine Bashor and Kathryn Stringham.

THE 1935-36 SEASON

Hopes for gridiron laurels were high at the beginning of the year and were sustained throughout the season. Finding themselves up against stronger teams than they had played in the old league, the Pilots nevertheless came out third in the league standing, with only one defeat and one tie on their record.

Team members who received All-League honors were Jack Stiefel, center, and Jack Hutchison, halfback. Chosen on the second league team, which rates almost as highly, were Chuck Crowell, tackle, and Carl Nuzum, halfback. Honorable mention, Walters, Martin. White, Brunton, and Craggs.

Excelsior can be proud of her sons of the gridiron and can probably look forward to a great season next year under the leadership of Captain Chuck Crowell and Coach Bob Ashton, who has been largely responsible for the successful season.

EXCELSIOR 16 - - MONTEBELLO 7

Inaugurating the football season with a 16 to 7 win, the Pilots played their first game at home on October 11.

After some clever teamwork with Craggs, end, Hathcock, Pilot quarter, slipped over the goal line in the first three minutes of play. The conversion was good and Excelsior led by 7 points. A 65-yard run by Jack Hutchison brought the second touchdown and again Craggs made the conversion.

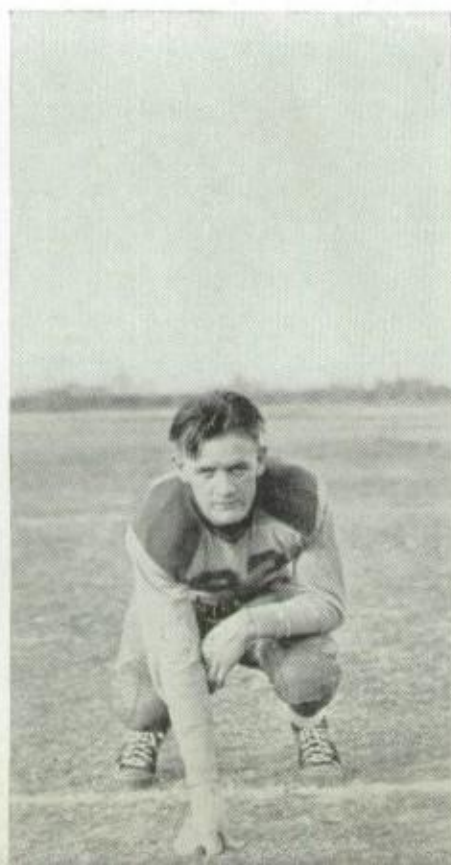

The second and third quarters were marked with passing by both sides which netted Montebello a position on our two-yard line at the close of the third quarter.

Montebello by virtue of a line buck scored her only touchdown and completed a conversion in the fourth quarter. Excelsior retaliated by pushing them deep back into their own territory, climaxing the drive by a safety when Chuck Crowell, mountainous tackle, downed the enemy behind the goal, gaining two points and completing the score.

EXCELSIOR 19 - - JORDAN 0

Dealing the Panthers of Jordan a crushing blow to the tune of 19 to 0, Excelsior's second victory of the season was on the losers' field at Houghton Park on October 18. Captain Coleman led his team in a running attack to score early in the first quarter.

Starting the second quarter with a drive, Hutchison, Nuzum, Henderson, and Coleman, Pilot backfield, worked the ball to the Panther 20-yard stripe where perfect blocking aided Hutchison in chalking up a second touchdown.

The Pilots started another drive to the enemy goal in the second half after Coleman intercepted a Panther pass. With the whole line clicking like a machine, hole after hole was opened up in a march that finally arrived on the one-yard line, where Coleman plunged over for the touchdown. Hutchison cleared end for the conversion and the game ended with the Pilots on the big end of a 19 to 0 score.

Carl Nuzum, right half

Billy Stricklin, right guard

EXCELSIOR 6 - - BURBANK 6

Unable to beat the Bulldogs, the Pilots held them to a tie in the third game of the season on our field October 25.

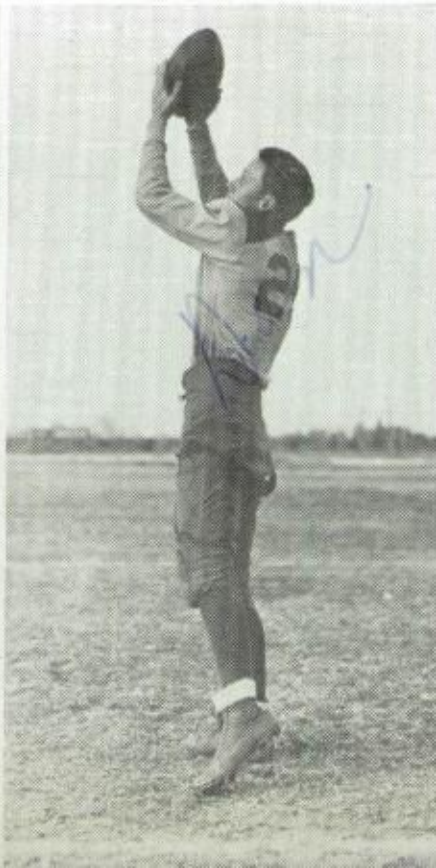

The Pilots, with their supply of power, were barely able to equal the fast drives of the Bulldogs, who charged over the line early in the second quarter. Excelsior was able to gain yard after yard in open field, but when yardage meant scoring the Bulldogs stiffened and held the Pilot line.

Excelsior, continually facing the triple threats of tackle stabs, the strongest and fastest end-running attack of the year, and the passing ability of the Bulldogs, had a hard time keeping them chained, and only succeeded in scoring in the third quarter. Again the Bulldogs took a fresh hold which prevented the conversion. Thus the first touchdown of the year for the Bulldogs tied the league-leading Excelsiorites in a 6 to 6 score.

Thomas Reed, quarter

Fred Chaffin, left half

Don Henderson, left end

EXCELSIOR 14 - - PASADENA 6

Displaying some of the finest football ability that has been shown for some time, the Pilots downed the Bullpups of Pasadena on the Pasadena J. C. field November 1.

Playing carefully until they had felt out their opponents, the Pilots didn't do much in the first quarter. Then Hathcock, Pilot quarter, uncorked a 45-yard pass to Ned Brunton, end, who scampered across the line for the first score. The conversion was good.

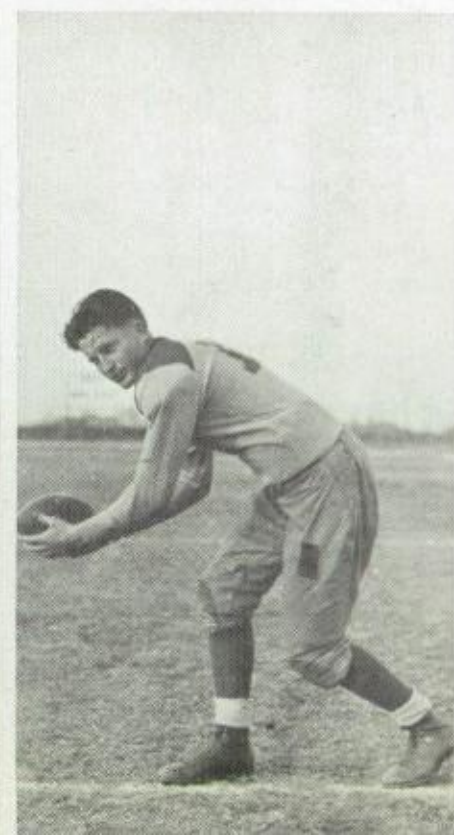

In the second half Coleman, Pilot fullback, led his team in an offensive smash to another score, Craggs adding the extra point.

Scoring once but unable to repeat the process, the Bullpups were beaten 14 to 6.

EL MONTE 27 - - EXCELSIOR 26

The excitement of that traditionally bitter battle, the El Monte contest, was heightened this year by the presence of the Homecoming Day crowd, who witnessed the closest, as well as the most heartbreaking, game of the season.

Stiefel intercepted a Lion pass and ran 35 yards for the first touchdown, Craggs adding the extra point. Then the Lions punted to Hutchison, who ran 80 yards for the second score. Craggs' kick was wide. With a smooth clicking offensive the Lions started a drive that ended in their first score and conversion.

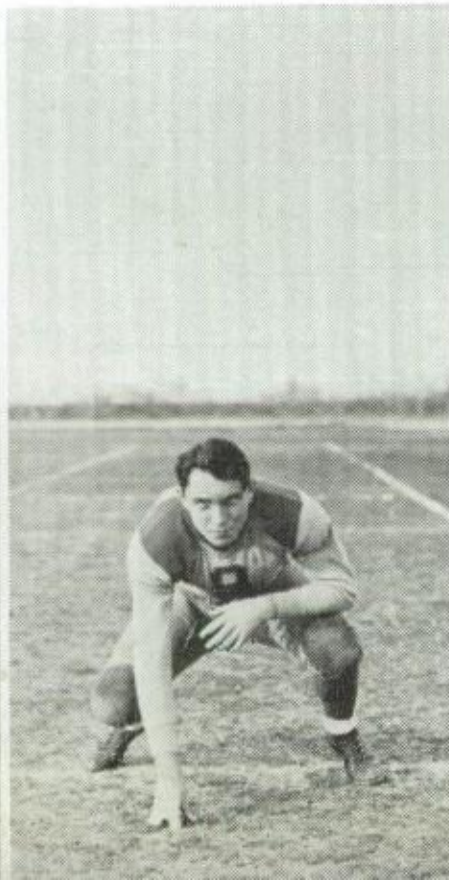

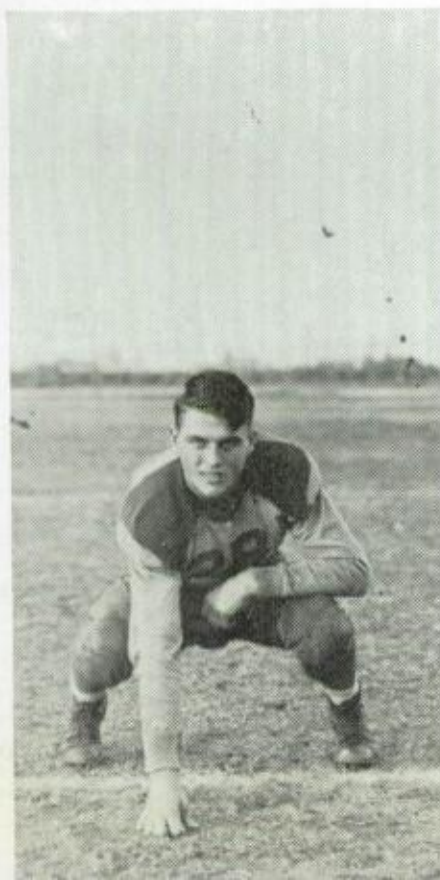

Again in the second half the Lions pushed over for a touchdown and then kicked the extra point for a 14 to 13 lead. A reverse resulted in the third score as Nuzum slipped around right end and over the line. Craggs' kick was good and Excelsior was leading 20 to 14. The same play by Nuzum resulted in another touchdown in the fourth quarter but the conversion failed. Shortly afterwards El Monte scored in a hideout pass but failed to convert. Then in the closing minutes of play, Israel, El Monte quarter, slipped over the line for a touchdown. Conversion left the Pilots the losers by one point.

MONROVIA 13 - - EXCELSIOR 6

Battling to the last second in the final game of the season, Excelsior, after a bye the week before, journeyed to Monrovia November 22.

Although the Pilots gained the most yardage in the first half, they were unable to score. The Wildcats, against beautiful tackling and pass-wrecking, were unable even to attempt a score.

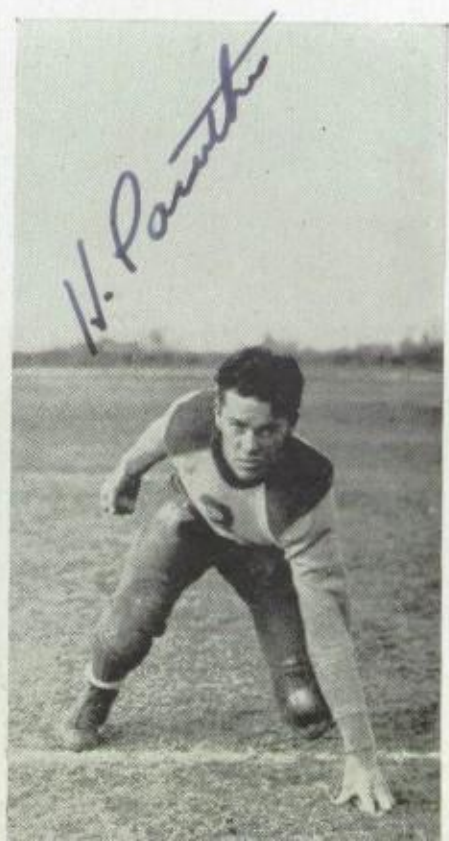

Opening the second half the Wildcats started a running and passing attack that ended in a touchdown and conversion after some very neat passing. After kicking off, Monrovia intercepted a Pilot pass and scored. The conversion failed, for this time Nuzum, Pilot half, succeeded in blocking the pass.

In the last quarter Walters, speedy Pilot guard, received Hutchison's punt on the Wildcat 25-yard line. From there Captain Coleman pushed the ball to the 20-yard stripe, where Hutchison took it over the goal. Craggs' kick was blocked, and the final score was 13 to 6.

 4th row: C. Doyle, C. Seifert, R. Wright, D. Pierce, R. Henson, R. Hall, M. Mayeda, F. McCloud, J. Harper, C. Hocking.

B FOOTBALL

A showing of about 60 fellows started off the 1935 season for the Bees. Brea was the team's first victim. Although the Pilots had 18 downs to the Wildcats' 2, they failed to move for a short while. After receiving a punt on the 40 yard line the Pilots started a drive on the goal line. Reid then passed to Seifert, which put the ball on the Wildcat 48 yard line.

Another pass, Reid to Doyle, was completed and Doyle was downed on the 17 yard line. Yosakia then sped around left end only to be brought down by the Brea safety man. The only score was made when Hocking crossed the goal line over center.

Fighting hard, Anaheim came next, but was stopped by the fine passing and receiving of Reid, Seifert, and Doyle and the running attack of Yosakia and Hocking. The Pilots were victors by a score of 6 to 0.

In the first league game with Montebello, the Pilot defense was found to be weak. During the first three quarters of the game the Oilers scored 25 points. Rallying in the final portion of the game, Excelsior scored 6 points. This heavy defeat put some life into the team and in the next game they tied Jordan 6 to 6. Although the Burbank game was lost, the Bees beat South Gate 18 to 6. Seifert and Merriam played an excellent game.

El Monte took the Pilots to task with a well placed pass and the result was a score of 13 to 6. It was a good game and both teams had to fight.

Rising from last place in league rating, the Pilots scored over Monrovia 7 to 6. Monrovia, after a good many weak plays, succeeded in placing the ball on the 10 yard line, after which their fullback crossed the goal for the score. Hocking and Kelly made several first downs, and the Groeling twins, added downs, finally scoring and completing a conversion. The team was hampered by the loss through injuries of Faylor, Caruthers, Hinson, and Doughty.

C FOOTBALL

Under the leadership of their new mentor, Coach Jensen, the Excelsior Cees had an unusually good season. Playing only four games, though winning them all, the team failed to capture the championship that would have been theirs had they played a larger number of opponents.

The Whittier Poets, champions in their own Foothill League, fell before the Excelsior attack in a game ending 19 to 0. Calvin Barnes made the first score in the opening quarter, after a rapid series of first downs and a line buck. Harada, quarter, and Full-back Iwata made the other scores.

Against the inexperienced Valencia squad, the C-men triumphed 54 to 0. Barnes again made the initial touchdown, this time after a march down the field from the 30, where Valencia's kick-off was received. The second score was made by Iwata when he started on Valencia's 40 and ran around right end. The conversion was good. Harada scored two consecutive touchdowns and both conversions were good. Katsumi took the ball around right end to score Excelsior's fifth touchdown, all of which came in the first half. Shimimoto crossed the scoring stripe, for the sixth touchdown which made the score 39 to 0. Harada made the last two scores on end runs. Both conversions were completed and the score at the end of the game was 54 to 0.

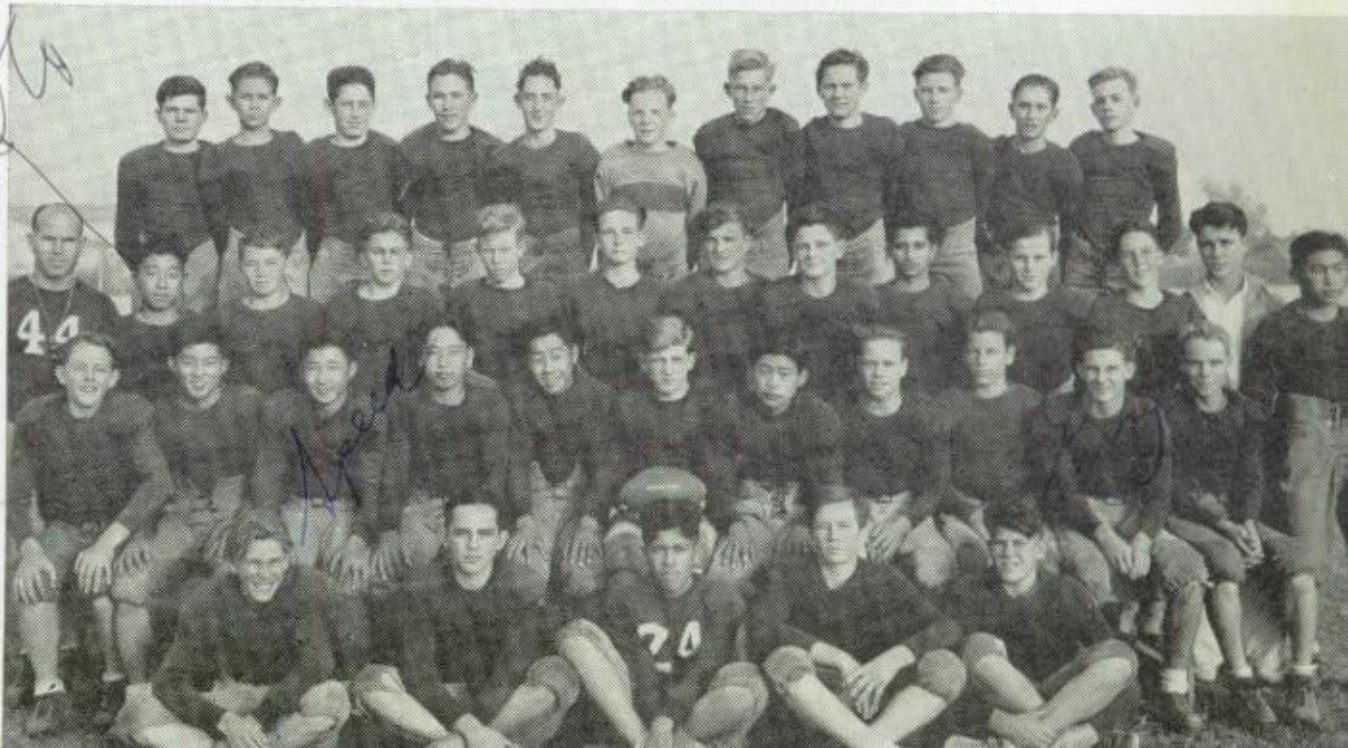

El Monte, in the first of two games, made the only score against the Excelsior team but was defeated, 33 to 6. Barnes, running true to form, pushed over the first score in a spinner. Second scorer was Harada, who carried Iwata's 40 yard pass over for 6 points, to which was added Itaya's conversion. Another feature of the game was a 70 yard run by Tadao Iwata.

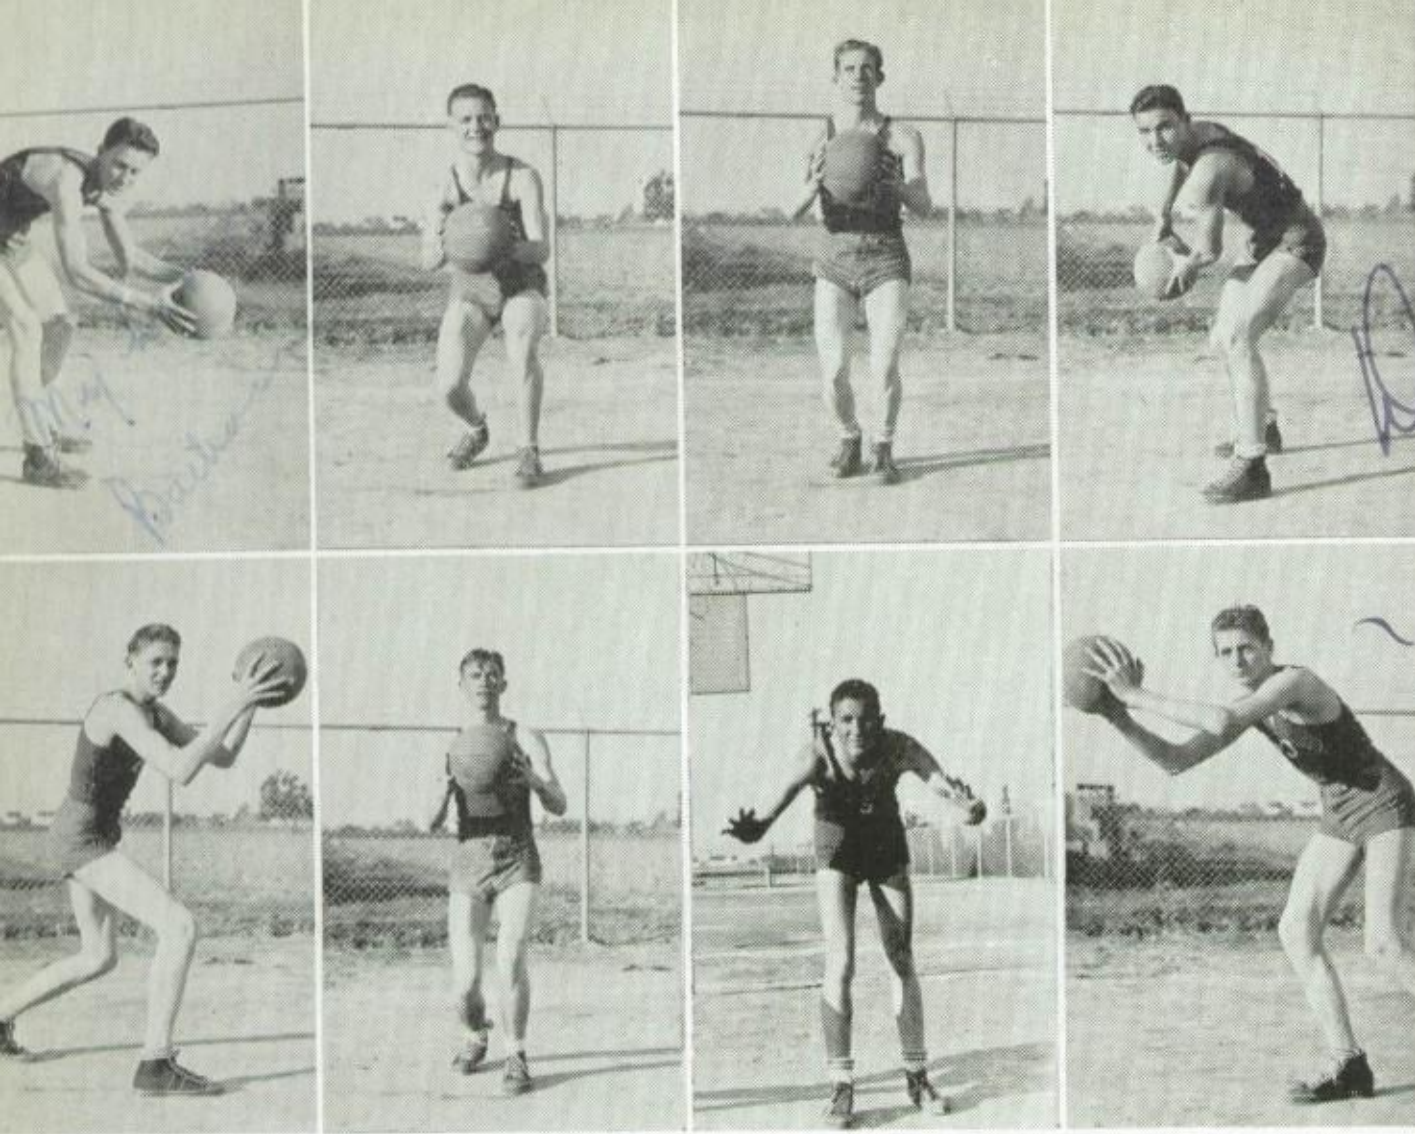

In the second El Monte contest, long passes and reverses assisted the Cees in piling up a 26 to 0 score. In running, Iwata and Harada were outstanding, while Ezell, Price, and Darrell Weekly starred in the line.

Electing a captain at the end of the season, the team selected Larry Cross, and chose Wilbur Weekly as the most valuable player.

VARSITY BASKETBALL

Although the varsity basketball team won no championships this year, team members did show a display of ability that should put Excelsior's hopes high for next season.

In their first league tilt with Montebello the Pilots played a hard and fast game, led by Captain Frank Slaughter who chalked up 8 points in the battle. Excelsiorites shot again and again at the basket, but unsuccessfully, coming out the losers by 12 points. Final score, 38 to 20.

Engaged in one of the most brilliant and exciting games of the season, the Pilots barely defeated the Panthers of Jordan. Playing a close game that kept the crowd wild with excitement while it progressed, the Pilots, led by Johnny Miller, high point man, nosed out a 34 to 33 victory over the Panthers with a set-up shot by Hathcock toward the end of the game.

When the Pilots journeyed to Burbank they met defeat in a

fast game which was lost because of a set of free shots completed by the enemy at the end, making the score 29 to 25.

Playing slowly, never allowing their opponents to get ahead, Excelsior came out on top of a 29 to 24 score with the Bullpups of Pasadena. Hathcock and Miller tied for high man with 10 points apiece, followed by Captain Slaughter with 8 points.

Tasting defeat again, 34 to 33, the Pilots lost only after a game that showed them to be a match for the El Monte Lions any day. The Excelsior hoopsters started out fast, possessed a good lead at the half, and were in hopes of victory until the fighting Lions began coming up. The final moments of play resulted in a victory for the Lions when they shot a basket just before the time gun.

In the final game the Pilots were overcome by the strong Wildcat five from Monrovia. Slow to get started, the Pilots scored several times but the Wildcats seemed more determined and sank about 2 baskets to their one. Although they played hard, the Excelsiorites were unable to gain a lead and the final score was 28-13.

B BASKETBALL

The Bee team was more successful than the Varsity in its basketball career this year.

A rigid defense coupled with an ability to sink baskets caused the Pilots to bow to the Oilers to the tune of 33 to 26 in the first game of the season. Nevertheless, the Excelsior casabateers played a good game. Byron Wyndham, forward, was high point man with 11 points.

In their second game the Pilot Bees downed the Jordan Panthers by chalking up 11 more points than their rivals. Although the Panthers secured a lead in the beginning, the Pilots, by virtue of several long shots, gained the lead which resulted in a victory. Cecil Lewis was high point man with 10 tallies, followed by Reed and Wyndham, with 6 and 9 respectively. George Yasukochi also showed some spectacular playing. The final score board read, Excelsior 31—Jordan 20.

In a decisive battle with the Bulldogs of Burbank, the Pilots started their scoring when Reed, guard, sank a beautiful long shot, followed by several other good shots that put the Pilots ahead at the quarter. They retained their lead the rest of the game and came out finally on the large end of a fat score, 29 to 25.

The Lions, old rivals of the Pilots, squeezed a victory from them in spite of the fast playing of the Pilots.

Reed and Seifert began tossing baskets right and left to run up a nice lead in the first quarter. In the second, the Lions came up to tie 13 to 13. Then Wyndham sank several long shots to put the Pilots in the lead again. After the half they were unable to resist the strong Lion offense and were finally beaten 33 to 30.

The Pilots were victors when they played the strong Wildcat five from Monrovia in their last game. Joe Reed was high point man with 17 points, Shorty Seifert coming next with 8 points. The Pilots showed plenty of speed against the tough Wildcats, beating them 32 to 28.

C BASKETBALL

In the first game of the season, Coach Ashton's C's downed the Anaheim Colonists in a 20 to 7 meet. Dobias was head man with 7 points to his credit, while Barnes followed with four.

In the Downey game, Darrel Weekly was by far the most valuable man, making four points and two field goals. Yakush then substituted for Weekly and held his position for one quarter, but when Downey started to add to their score Coach Ashton put Weekly back in the game. With Darrel on the floor again, the game ended at a score of 11 to 10 with Excelsior on top.

Matched against Montebello, Barnes and Weekly made 3 baskets in the first minutes of play to give the Pilots a 6 to 0 lead. Montebello, the taller squad of the two, was able to dig in and come out ahead of the Pilots with a score of 16 to 9.

At Monrovia the Cees lost by 2 points. Their opponents, however, won only after bucking a Pilot team with every man fighting his hardest.

D BASKETBALL

Playing Downey their first practice game, the Dees won by a score of 12 to 8. Weekly, forward, made the first score on a free shot and then sank another basket. Padelford, center, added two more in the second quarter.

Anaheim proved rather too much for the Dees. Not seeming to click in the first half, the team succeeded in making 9 points in the second half. Anaheim played an excellent game.

First league encounter of the season, the Montebello game was a hard battle. In spite of the playing of Padelford and Ota, the Dees were beaten 20 to 6.

One of the season's best games was that with El Monte. Expecting a tie, the Dees managed to come out ahead on the final score because of the excellent playing of the team as a whole.

VARSITY TRACK

Tying for third place in the league tournament at El Monte, the varsity squad came through very well in spite of the opposition of a stiffer league. In addition to the regular inter-school contests, the team participated in the Pacific Coast Relays at Long Beach, the Russel Cup Meet at Carpenteria, and the Chaffey Invitational Meet.

The first encounter, a 60—44 victory for Excelsior, was with Montebello on the home track, with Carl Nuzum taking first in both the pole vault and broad jump. Chuck Crowell, Bill Martin, and Oscar Benjestorf made a clean sweep of the shot put by taking first, second, and third, respectively.

The second dual meet was another victory for the Pilots by their win over Jordan. Jack Hutchison took first in both the 120 yard high and 220 low hurdles. Two victories were also garnered by Paul Little in the century and in the furlong. Crowell broke the 1929 record in the shot by a put of 50 ft. 7 1/2 inches. William Larowe added another five points to the score by taking the 880. Grover Cole tied for first in the 440, and Bob White in the high jump.

celsior won the varsity division in the third league class of the season. Led by Hutchison, Little, and Nuzum, the Pilots outclassed the Burbank team in every event except the distance runs.

The tracksters added another victory to their list when they defeated the Lions from El Monte, 60—44. Crayton Groeling was high point man, taking first in the century and 220 low hurdles. Following him were Nuzum, Hutchison, and Little with 8, 8, and 6 points. Nuzum took first in the broad jump and tied for first in the pole vault; Hutchison took first in the highs.

In the final dual league encounter, Excelsior was defeated by the Monrovia Wildcats. Crowell remained undefeated in the shot put by taking Presley of El Monte.

In placing third in the league meet Excelsior made a good showing, breaking or tying three records. Crowell put the shot 51 ft. 8 3/8 inches to break his former record and also league records. Hutchison took the 220 low hurdles in 25.3 to tie the league record for that event. Bob White broke the league high jump and school record by doing 5 ft. 10 inches. Little tied for second in the 220 with Bennet of Monrovia. As mentor of the squad, Coach Jensen guided the team through a successful season in his first year of coaching varsity track.

BEES

The Bees made quite a showing in track this year, broke several records, and climaxed the season by tying for first in the league meet.

Crayton Groeling sped down the 120 low hurdles to establish a new school record of 13.3 seconds in the Russel Cup Invitation Meet. Repeating his time at the league meet, he made a league record as well. George Hasha set record time in the 660 at the Russel Cup Meet. Carmen Groeling dashed 100 yards in 10.1 seconds at the El Monte Meet to set a new school record. In the same meet Max Failor finished the 70 yard high hurdles in 10.2 seconds for a new school record in that event.

The 660 yard relay team also was outstanding in the league meet when the team finished first and set a new record. Max Failor also established a new school record in the pole vault during the league meet when he went 11 ft. 7 7/8 inches.

CEES

Following their opening defeat by Montebello in which two records fell, the Pilot Cees retaliated with a 51 1/6—25 5/6 victory over the Jordan Panthers. In this meet a new high school high jump record was set by Tetsuo Shimamoto, and John Akiyama was high point man.

In the next meet, that with Burbank, the squad suffered a 46—31 defeat. Gibbons made a mark of 9 feet 9 1/2 inches in the pole vault.

Sixty four to thirteen was the score amassed by the Cees over El Monte. Aside from the three records set by Iwata, Asawa, and Shimamoto, the midgets took first place in every event except the 50 yard dash and the pole vault, in which they tied for first. Hopes were high for the S. C. Meet, which took place after the annual had gone to press.

Varsity Baseball

Although losing only one game of the season, the varsity came second in league rating. Montebello had also lost one game, but, having defeated the Pilots, won the honor of being league champion.

In the first league game, the one which cost us the championship, the score was tied twice before the final score of 9-5, Montebello's favor.

Defeating Jordan 13-1, the Pilots started their winning streak which was to last all season. Slaughter hit the season's first home run, and he and Reed both batted a thousand.

In the second league game with Burbank, the Pilots won 8-4. Craggs pitched a good game and the best hit was a three bagger made by Slaughter, right field.

El Monte, the only team to beat Montebello, was defeated 5-4 by the Pilots. The game was tied until the eleventh inning when Bob White made the winning hit.

The Pasadena game, a 15-5 victory for Excelsior, was distinguished by Craggs' pitching and a home run by Bob White.

In the last league tangle of the season with Monrovia, the score of which was 6-3, the Pilots completed their winning streak. A close game, with both sides scoring alternately, the seventh inn-

ing brought a home run by Reed. Henderson also made two home runs.

During spring vacation the team competed with two more schools. The first game, played on Pomona's field, was an 8-3 victory over Voohis High. The second, played at Fremont Field, was lost 2-0 to San Diego.

The team journeyed to Catalina to defeat the Avalon team 5-4 at the end of the season. Other victories for the Pilots were Compton, 5-5; Fullerton, 5-3; Anaheim, 2-2; Compton, 2-2; Whittier, 10-8; Fullerton, 7-2; Downey, 7-0; Downey, 8-4; Anaheim, 11-18; Brea Olinda, 9-5; Downey, 5-1; Alumni, 4-3; Santa Ana, 15-2. Their only defeat was the first practice game with Santa Ana, which was lost 3-0.

Since many schools in the San Gabriel Valley League did not offer junior varsity competition, the Pilot team played a shortened schedule for the first time in many years.

The season presented stiff competition in games with El Monte, Brea Olinda, Downey, and Carmenita, from whom the Excelsiorites won a favorable percentage of victories.

However, the players will receive their letters for the season and it is anticipated that they will provide many valuable recruits for next year's varsity.

TENNIS

Although five of the six Excelsior tennis contests were lost to more experienced opponents, Coach Goodheart has been able to build a squad with much promise for the future. There are no seniors on the team, and only three juniors. The remaining sophomores and freshmen making up both the team and squad are all good material, and with one or two more years' experience should bring home some real tennis laurels to Excelsior.

Outstanding as top man of the team was Leo Keeter, who played first singles in all league contests and lost only two out of his six matches. Leo is a sophomore and can easily become important in league tennis.

The second singles berth was held by Robert U. White, also a sophomore and a man apt to prove valuable to Excelsior's squads for the next two years. As this year's team was larger than last year's, both third and fourth singles were played, La Verne Mummah and Jack Turner taking these places respectively. Turner, another of the sophomores, seems to be the most improved man on the team, and will probably be used to a much greater extent next

year. He has been climbing steadily since he was a freshman and ought to make good material in his junior and senior years.

Five fellows were able to make letters as doubles men. On the first doubles team Robert Oliver and Lloyd Finch worked against their league opponents. Harvey Leigh, Robert Maddox, and Douglas Hibberd alternated to make up the second doubles team.

Following a defeat at the hands of Montebello, the Pilot team was a 21-5 victory over Jordan of Long Beach. In this match wins were scored by Keeter, White, Mummah, and Leigh in singles and by the doubles team of Finch and Gravage.

Again, opposing Burbank, Keeter and White won their matches, while in the Pasadena series Mummah and Turner again triumphed. Keeter won his match against El Monte and against Monrovia, the latter also losing to Turner.

Both the team and members of the squad were able to participate on the boys' singles and doubles championship ladder. Here still more prospects were discovered.

Considering the exceptional promise of material at the end of this season, next year's activity in tennis at Excelsior promises to be unusually interesting.

GIRLS' SPORTS

This year an entirely different girls' sports system was inaugurated in order to place more emphasis on class teams, and thus to create a more friendly playing basis between classes. Over 200 girls went out for sports, and were greeted by a program planned on the same principle as that of the G. A. A. In addition to this program, three new sports were introduced: speedball, track, and volleyball.

Under the direction of Coach Payne, Coach Dexter, and Coach Frank, the girls' sports season became one of the most successful ever conducted. Mary Herbst ably filled her position of Chairman of the Girls' Sports Committee, with Marilyn Crider as her successor during the second semester.

HOCKEY

Played on a field whose size surpasses that of a football grid-iron, hockey is a sport that requires team cooperation and the physical ability to withstand much running. Hockey, one of the best-liked sports among the feminine athletes at Excelsior, offered new opportunities this year for girls of lesser ability by the addition of a third team to the original first and second.

Under the coaching of Miss Payne, the hockey season was most successful. The interclass contests were all close and because of longer experience and cooperative teamwork, the Senior team outplayed the Juniors in the final game by the score of five to three. The winning team was composed of A. Stalcup, T. Lindstrom, T. Fujimoto, D. Snyman, D. Madison, M. Herbst, J. Irvin, G. MacMillan, M. Frampton, F. Huitt, and B. Richards.

BASKETBALL

Triumphing as usual with large scores over every school in the newly organized San Gabriel Valley League, the girls' class and school basketball teams once more showed their superiority in the semi-annual playday held at Excelsior. Deserving much credit for upholding Excelsior's sports standard in the league standing, the school team members were: centers, D. de Buxton, M. Herbst; forwards, B. Turner, T. Fujimoto; guards, M. Frampton, D. Snyman, J. Irvin.

Under the new system this year, the basketball season showed that a better spirit of cooperation between competitors had been obtained. With class teams fighting for the arm bands and honor of being the victor, the seniors came out on top, with the juniors a close second. The victorious senior team members were B. Turner, T. Fujimoto, M. Herbst, D. Madison, M. Frampton, D. Snyman, and J. Irvin.

SPEEDBALL

The first of the three new sports introduced to girls this year, speedball was enthusiastically received. Although the sport itself was familiar only to those who participated in it in grammar school, there was a very large and unexpected turnout.

A combination of both basketball and soccer, speedball proved to be doubly interesting. Played on a field similar to that of football, the game requires much stamina and teamwork. The inter-class contests were all close, victors being the Junior class, through their ability to maintain smooth teamwork and speed. Members of the winning team were K. Bashor, B. Foster, M. Nelson, E. Cruse, H. Canfield, R. Mulder, J. Goza, M. Zualet, M. Nawa, J. Gordanier, and J. Hill.

BASEBALL

To terminate a well organized sports season, baseball, one of the favorite girls' sports, received a large turnout. Euthusiastically competing for places on school and class teams, members played hard to keep them.

The inter-class contests were all well played, and as the annual went to press the seniors and juniors were both fighting for arm bands. Captains of the class teams were: senior captain, D. Madison; junior, V. Pearce; sophomore, A. Beck; freshmen, B. Towns. With the careful instruction of Coach Payne, and interested cooperation of every girl, baseball season was most successful.

VOLLEYBALL

Two unusual events occurred during volleyball season under the efficient supervision of Coach Frank. In the past a volleyball team has consisted of nine players, but the line-up was revised when the new rule book designated only six. This unusual change necessitated more action on the part of the players because a larger space had to be covered by one person.

For the first time at Excelsior, the freshman class won their arm bands when the graduating class of '39 defeated all the upper classmen, winning the honor of being the victor. The members of this team were B. Akers, F. Dilling, D. Dunlap, L. Grant, D. Hisey, N. Hubbert, H. Puckett, M. Wall, and R. McCredie.

TENNIS TEAM
 J. Cotterell, V. Taylor, L. Moore, E. Cleveland, M. Frampton, L. McPherson, B. Turner, A. Arnold, F. Wilfong, M. Goza.

TENNIS

Winning half their matches, the girls' tennis team made a good showing in the league this year. Under the direction of Coach Dexter, they played a great many practice games. At the annual mid-winter tennis tournament held at Fullerton, Ann Arnold and Marjorie Goza were chosen as Excelsior's representatives. Although they played well, the matches were lost.

The inter-class contests were close, and the playing itself was much improved.

With all the team members competing for the honor of having their names on the trophy, the school tournament proved a success in good sportsmanship as well as good tennis.

INTERCLASS TENNIS

- 1st row: E. Hodge, M. Goza, J. Cotterell, F. Wilfong, V. Taylor, J. Hiroaka, K. Hatanaka.
 2nd row: J. Corcoran, A. Brown, A. Beauchamp, E. Young, E. Cernik, H. Canfield, J. Goza, I. Yamada, D. Rueff, M. Tanaka.
 3rd row: A. Main, J. Stefani, A. Arnold, E. Cleveland, E. McGowan, L. McPherson, E. M. Johnson, B. Edsall, L. Moore, B. Armstrong.

Enrollment

TRACK TEAM

Front row: N. Hubbert, C. Robinson, R. Ransom.
Back row: V. Rose, V. Marsh, M. Boyer, L. Lee, D. Hisey.
Middle row: J. Longshore, M. Ransom, M. Wall, A. McCromick, B. Turner, R. McCredie, W. Wasson.

GYM TEAM

Front row: B. Hunter, J. Moore, A. Heflin, R. Ransom, E. Jewell, D. Hisey, J. Easton, H. Fulton, I. Gilmore.
Back row: H. Eakin, J. Arlington, L. Harley, L. Plender, M. Visser, A. McCormick, L. V. Herrell, J. Gordanier, B. Thompson, M. E. Cornelius, M. Miller, B. Towns, M. Boyer.

TRACK

The second of the new sports to be introduced to Excelsior's feminine athletes, track, which consisted mainly of the 60 and 75 yard dash, standing broad jump, baseball throw, and relays, was enthusiastically received.

Under the capable supervision of Coach Heffernan, there were many friendly contests and much practice held after school.

GYM

Organized this year, the girls' gym team is a new group which has learned the use of the horizontal bars, the mats, the ladder, and the parallel bars. With this apparatus in the gymnasium, the girls spent much time after school in organizing a capable and an interested gym team. Under the instruction of Coach Frank, the gym team promises to be a well received sport each year.

"Doe is
so
cute."

ALL AROUND ATHLETES

The chenille letter, highest award for girls' sports, is awarded to girls excelling in three sports. Winners of such a letter must have earned positions on first school teams in three different sports and in addition must have a high number of points earned by participation in girls' sports.

In order to win a place on a first school team a girl earns points by interclass competition, participation in Play Days, and positions on winning teams. Because of the specification that girls participate in three different sports, chenille letter winners are girls of the highest athletic ability and sportsmanship. Those winning letters, the all around athletes, are listed below: Those winning first team awards are B. Turner, T. Fujimoto, M. Herbst, D. deBuxton, J. Irvin, M. Frampton, D. Snyman, D. Madison, T. Lindstrom, M. Nelson, M. Nawa, G. MacMillan, F. Huitt, J. Hiroaka, R. Mulder, M. Zualet, V. Taylor, M. Crider, D. Smith, P. Steiner.

Acknowledgements

Every annual reflects not only the work and interest of the staff and the adviser, but it also owes its being to the help and co-operation of other individuals, among whom are the following, to whom we express sincerest gratitude:

Miss Bernice Rankin, for arranging the picture schedule.

Mr. Richard Gahr, for his splendid group pictures.

Mr. J. Edmund Watson, not only for his excellent individual pictures, but for the scenic views of the school and for the flashlight pictures of the plays.

Mr. Smith, of the Los Angeles Engraving Company, for his work on the engraving end of the book.

Mr. McGrath, of Weber-McCrea Bindery, for his assistance with the covers.

Mr. Joe Williams and Mr. Bob Tarlton of the Bellflower Herald-Enterprise for aid in printing and composition.

We want photographs of your friends and there's not a thing left
 or anyone to say who doesn't know you
 keep as a name. But Judging from this
 book you're quite an active person I hope you'll
 continue — because it's lots of fun to participate in
 school activities. So load up back to Betty's
 correspondent.
